

Corporate Crime Prevention and Compliance Programme

IMOTION ANALYTICS S.L., hereinafter referred to simply as Imotion, has implemented a criminal risk prevention plan and an organisational structure designed to monitor compliance with the law across its business activities. Compliance with applicable legislation, the company's internal regulations, protocols, procedures, and its Code of Ethics and Conduct, which will be made available on the website, shall be reviewed on an ongoing basis.

Any person associated with Imotion, regardless of their capacity or status, must comply with the legislation in force and observe the policies set out in the Code of Ethics and Conduct. In line with its commitment to legality and the principles established in its Code of Ethics, Imotion shall not maintain contractual or commercial relationships with any party that fails to respect the policies contained therein.

Imotion has a whistleblowing channel through which any individual may report to the Compliance Officer any breaches of the law or of the company's ethical principles by any member of the organisation in the performance of their duties. Whistleblower protection is guaranteed in accordance with the applicable legislation. Reports may be submitted anonymously and shall, in all cases, be handled confidentially. To submit a report, an email should be sent to the following address: canal.etico@imotionanalytics.com
